But we have faith that this reverse will prove of signal advantage to the Union organization. The Union army, in the war, had its Bull Run disaster, but its only effect was to make the Government more wise and discreet in its future movements, and the end was the more glorious and beneficent because of that disaster. So we think in this civil reverse. It will the better prepare us for the couraging to the Union organization. whiskey and a bad heart, will sink a Ministers; for the removal of the latter immediately mustered out.
